“The current government shutdown highlights a very serious challenge for families across our state – there are no publicly funded programs for purchasing diapers, unlike other essentials like food or health insurance.” said Shelly Tucker, Maryland Diaper Bank Founder. *“We are committed to providing diapering essentials to families in Maryland and we invite the community to join us by spreading the word and donating diapers through our [Amazon Wish List](http://a.co/gQVf7fK).”* [<http://a.co/gQVf7fK>]
